

REMARKS

In response to the communication dated November 1, 2007 Applicants submit, through EFS-Web, a substitute Sequence Listing in the required .txt file format. The amendment in the specification merely replace the original Sequence Listing with a substitute Sequence Listing to address objections raised by the Examiner.

I hereby state that the content of the Sequence Listing, submitted in accordance with 37 CFR §§1.821(c) and (e), respectively, is disclosed in the originally filed application, and as such, does not go beyond the original disclosure.

Please apply any required fees to deposit account 06-1050, referencing the attorney docket number 10861-034US1.

Respectfully submitted,
